**REQUEST FOR CHANGE TO LARGE ENTITY STATUS**

Commissioner for Patents  
PO Box 1450  
Alexandria, Virginia 22313-1450

Dear Sir:

The referenced application was filed on October 16, 2003. The Fee Transmittal filed with the application inadvertently indicated the Basic Filing Fee for a small entity was to be charged to Applicant's attorneys' deposit account. Consequently, the application was awarded small entity status. The Basic Filing Fee indicated on the Fee Transmittal should have represented the fee due for a large entity. Therefore, the status as a small entity was established for this application in error and should be removed.

US Application No. 10/687,325

The Basic Filing Fee for a large entity application filed before December 8, 2004 is currently \$790. Therefore, the deficiency due for the Basic Filing Fee is \$405 (\$790 - \$385). In addition, the current fee for each extra claim is \$50. Therefore, the deficiency due for six (6) extra total claims is \$246  $((\$50 - \$9) \times 6)$ . No other small entity fees have been paid for this application. Therefore, the total deficiency due for this application is \$651  $(\$405 + \$246)$ . A check in the amount of \$651 is enclosed.

Please issue an Updated Filing Receipt indicating this application is classified as large entity and that the Filing Fee Received is \$1,090  $(\$439 + \$651)$ .

It is believed that no other fees are associated with the filing and consideration of this Request. Should the Commissioner decide that any fee or fee deficiency is due, the Commissioner is hereby authorized to charge any and all such other fees incurred as a result of entering this amendment and response to deposit account number 03-0172.

Respectfully submitted,

CALFEE, HALTER & GRISWOLD LLP
